**Auto Door™**

# Auto Door™

## Automatic, touch-free door opener

The Auto Door™ features a sleek, contemporary design that effortlessly automates an otherwise manual door to eliminate the final touch-point of cross-contamination! Patrons no longer need to use towels, tissue, or shirtsleeves when opening the door.

### Improves Hygiene

- Only 1 out of 3 washroom patrons wash their hands<sup>1</sup>
- Germs can live on surfaces for up to 72 hours<sup>2</sup>
- As many as 14 people in a row can be contaminated by touching a dirty doorhandle<sup>3</sup>

<sup>1</sup> www.cdc.gov | <sup>2</sup> University of Arizona microbiologist Dr. Charles Gerba, 2005 | <sup>3</sup> www.sciencecentral.com

### Enhances Image

- Auto Door™ accommodates:
  - Left & right hand swing doors
  - Latching & non-latching doors
- Retracting arm not connected to door
- Low-energy operation

### ADA Compliant

- Designed to meet all ADA accessibility guidelines for automatic doors
- Touch-free activation
