

TC WASHROOM SOLUTIONS

Auto Door™

Automatic, Touch-Free Door Opener

Complete the touch-free washroom experience with the new Auto Door™ system.

- Improves Hygiene
- Enhances Image
- ADA Compliant

Auto Door™

The Auto Door™ features a sleek, contemporary design that effortlessly automates an otherwise manual door to eliminate the final touch-point of cross-contamination! Patrons no longer need to use towels, tissue, or shirtsleeves when opening the door.

■ Auto Door™ Unit

Features

- Touch-Free Activation
- Auto Door™ Accommodates:
 - Left & Right Hand Swing Doors
 - Latching & Non-Latching Doors
- Retracting Arm Not Connected to Door
- Low-Energy Operation
- Object Interference Detection – Auto Door's arm will retract if met with resistance

■ Auto Door™ Sensor

Why Auto Door™?

- Only 1 out of 3 washroom patrons wash their hands¹
- Germs can live on surfaces for up to 72 hours²
- As many as 14 people in a row can be contaminated by touching a dirty door handle⁴
- 61% of people exit washrooms using techniques other than using the door handle⁵
